She will be leaving Friday Sept. 30. Donations can be made until Thursday night. To learn more about the fund go to [www.liezelscause.com](http://www.liezelscause.com).

If you have not visited the Ashwood Website now is the time to do it. David Whitehead has created a beautiful new look for our community website. It will keep you up to date with what is going on in your neighborhood such as:

- Ashwood Covenants and By-laws Newsletters
- Board meeting minutes
- Pictures of recent events
- New information is being added all the time.

### Have you seen our new sign?

Do you want to know what is going on in your community? Read the new sign at the entrance to Ashwood. Craig Lombardi is doing a great job keeping us up to date on all that is happening in the area.

## Covenants

Ashwood covenants were established to protect your property values. They are posted on the association website, [www.ashwood30030.org](http://www.ashwood30030.org). Be familiar with what they say. Some covenants commonly overlooked are:

If you want to rent your house, you must get written permission in advance from the association through its board of directors and comply with certain regulations designed to ensure that neighborhood standards are maintained.

If you want to paint or make other improvements to the exterior of your house, paint colors and improvement plans must be approved by the association's Architectural Control Committee. Regularly parking cars on the street and parking or storing certain kinds of vehicles and recreational equipment in view of public roadways are also contrary to the covenants
